

Marlene H. Dortch  
Office of the Secretary  
Federal Communications Commission

In light of the upcoming "localism in broadcasting" hearing to be held in San Antonio on January 28, 2004, I would like to express my gratitude to the management and employees of San Antonio's local Clear Channel television station.

I have worked with Pat Bodet, of WOAI television for many years and she has always displayed a deep commitment to the radio-television and film department of San Antonio College, by serving on our Advisory Council for many years. During this time she has consistently hired our students and provided an opportunity for our interns to gain valuable experience at her station in San Antonio. Clear Channel is helping to improve San Antonio.

.

During this upcoming hearing, Clear Channel radio and television should be recognized for offering San Antonio top quality programming, entertainment and news, but also for their dedication to our local community.

Sincerely,  
Terry Tackitt
